

2006 CERAVOLO SHIRAZ

ADELAIDE PLAINS

ESTATE GROWN ~ SINGLE VINEYARD

Our shiraz, grows in the warm, temperate climate of the Adelaide Plains. It is known for its consistency from year to year ... with a richness of colours and an intensity of full fruit flavours and aromas.

Aged on sweet, toasty oak in French and American Oak Hogsheads .

We only introduce a small proportion of new oak for each vintage so that the oaky tannins do not dominate the varietal characteristics of the shiraz grapes.
