 ITALY TO A NEW LIFE IN THE 35°S. PARALLEL IN AUSTRALIA. OLD WORLD TRADITION MEETS NEW WORLD WINEMAKING EXPERTISE.

2007 CERAVOLO SANGIOVESE

ADELAIDE PLAINS

100% ESTATE GROWN – SINGLE VINEYARD

*Bottled with
 a screwcap
 to suit
 Sangiovese's
 fresh fruity
 style*

Sangiovese does extremely well on the Adelaide Plains.
 The clone that we have chosen to best suit the vineyards of our
 estate originates from the Chianti region in Italy ...

*Our rich red terra rossa style soil, Mediterranean-maritime climate and restricted
 yields in the vineyard are ideal for Sangiovese ...
 producing a wine which is evolving into
 its own distinctive Mediterranean-Australian style.*

The very warm Harvest of 2007 produced grapes with rich ripe flavours
 of wild cherry, summer berries and savoury spice ...
 evolving after time in French and American oak, into a juicy, elegant
 wine with traditional Sangiovese earthy, savoury characters.

Colour

A Richly Coloured Red

Aroma

Violets Cherries Raspberries

Palate

A fresh, fruity red wine with nuances of savoury cherry and plum.

Silky tannins ... medium bodied finishing with refreshing acidity
 Slight savoury, farmyard nuances marrying with Sangiovese's
 traditional soft, fruity, spicy and aromatic characteristics.
 A generous length with a persistent finish.

13.0 % alc/vol

Bottling

June 2008

Aged on French and American Oak, this wine has not been filtered
 and may show a sediment – decant if preferred.

Our Sangiovese is known for its
 consistency of colour, flavours and
 quality from year to year

Previous vintages ...

2005 SYDNEY INTERNATIONAL
 TOP 100 - GOLD

James Halliday Australian Wine
 Companion ...

Good flavour, with varietal nuances of
 cherry, and controlled tannins

*One of The Top 10 Best Value
 Reds ...*

*Nicely modulated and balanced; small
 red fruits; silky tannins; excellent varietal
 character*

Highly Recommended

Sangiovese ... "The blood of Jupiter"
